Dear Mrs. Sutton,

I would like to commend everyone participating in today's town hall meeting about health care reform. I truly believe that the best ideas come from organizations and events that bring people together to discuss important issues. Taking the time to listen, learn and talk with each other is the only way we will be able to address the many issues we confront, not just health care reform. It is encouraging to see a coalition as diverse as Project Civil Discourse hosting this event. I hope the dialogue is insightful and I look forward to hearing more about the outcome of today's conversation.

Sincerely,

Ann Kirkpatrick
Member of Congress
